	<i>Outreach Plans</i> Town Day- September 19. Use as an opportunity to survey about locations and desired amenities, and town bike parking.
	Old Business/New Business:
	<i>Town Bike Racks</i> Joan Lemire brought up the issue of whether bicycle parking is something the committee should be heading or not. Because racks are already provided for the path, and bike parking should be in more locations in town, this seems more properly the purview of the Open Space Committee and a sub-committee for the Downtown Alliance. Members of the BW/GW committee can volunteer for that if interested.
	<i>Next meeting Date: September 14</i>
8:35	<i>Adjourn.</i>
